

INSTRUCTIONS TO APPLICANTS

Please send this form to each of your references. On the upper portion of the Letter of References form, complete your name and field of research as indicated on your Scholarship Application Form. Use the space below to outline the course of study for your reference (*limit it to the area provided*).

NOTE TO REFERENCES

Please send your statement directly to the IBEW Local 1620 at the address indicated. Your comments will be treated as confidential and will not be shown to the applicant.

The Selection Committee considers your recommendations invaluable. In addition to knowing the length of time and in what capacity you have known the applicant, the Selection Committee is particularly interested in having your opinion concerning his/her ability to undertake the proposed course of study.
